Pit Posse and Outlaw Racing Products Accepting Resumes through Sponsorhouse.com

St. Petersburg, FL - 9/8/2006– Pit Posse (www.pitposse.com) and Outlaw Racing Products (www.outlawracingproducts.com) are now accepting applications for sponsorship through www.Sponsorhouse.com.

“This is the first year for our sponsorship program and we are excited to be launching it. We come from a racing background and want to give back to this awesome community,” commented Rick Maynard, owner of Pit Posse and Outlaw Racing Products.

Pit Posse Motorsports was established in 2003 with one simple idea - provide racers with quality items at affordable prices. Over the years, Pit Posse has evolved from a small retail store and online retailer to a manufacturer of tools, trailer accessories, and motorcycle accessories.

In 2005, we added a full array of products from all of the major manufacturers to our web site to become a one-stop-shop for the power sport enthusiast. With over 85,000 items in stock, we have quickly grown to become one of the leaders in the power sports mail order industry.

We now manufacture over 650 items under the Pit Posse and Outlaw brand names. New for 2006 is the Outlaw Racing Products brand with a focus on motorcycle accessories. At Pit Posse, we always keep the racer in mind and deliver value.

Pit Posse is a manufacturer and retailer of trailer accessories, tools and bike accessories. Outlaw Racing Products is a manufacturer of motorcycle accessories. The company was started in 2003 and is headquarter in St. Petersburg, Florida.
